The owner, Cameron Health, Inc., of full interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent Nos. 6,647,292 and 6,721,597. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patents are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

Appl. No. 09/940,273

Term. Discl. dated November 28, 2005

Reply to Office Action of October 17, 2005

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of the prior patents, as "the term of the prior patents are presently shortened by any terminal disclaimer," in the event that they later expire for failure to pay a maintenance fee, are held unenforceable, are found invalid by a court of competent jurisdiction, are statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, have all claims canceled by a reexamination certificate, are reissued, or are in any manner terminated prior to the expiration of their full statutory terms as presently shortened by any terminal disclaimer.

The undersigned is an attorney of record.

As indicated on the Fax Transmission Cover Letter, Applicants authorize the terminal disclaimer fee of \$130 (\$65 for each patent disclaimed herein under small entity status) to be charged to Deposit Account No. 50-0413.

Respectfully submitted,

CAMERON HEALTH, INC.

By its Attorney,
